The Company shall comply with the HIPAA Security Rule with respect to Electronic PHI.

In the event that the Insured agrees to comply with an Individual's request to amend such Protected Health Information, the Company shall incorporate any such amendments designated by the Insured. In the event that the Insured denies an Individual's request to amend such Protected Health Information, the Company shall incorporate into the Protected Health Information any of the statements and/or documents that the Insured has created or received with respect to such denial; provided that the Insured has provided the Company with a copy of such statement and/or documents. In the event that any Individual requests an amendment to Protected Health Information pertaining to such Individual directly from the Company, the Company shall forward such request to the Insured. The determination of whether to amend such Protected Health Information pursuant to an Individual's request and/or the denial of such request (including the creation and/or maintenance of any notification and/or creation of documents in connection therewith) shall be the sole responsibility of the Insured.

- (g) **Accounting of Disclosures.** The provisions of this Section 3(g) apply solely to those accountings of disclosures of Protected Health Information that are required of a health care provider pursuant to 45 C.F.R. § 164.528. The Company shall provide such accounting to the Insured in a timely manner in order to permit the Insured to comply with its obligations under HIPAA. In the event that the request for an accounting is delivered directly to the Company, the Company shall forward such request to the Insured. The provision of such accounting of such disclosures to the Individual (including the creation and/or maintenance of any notifications and/or documents in connection therewith) shall be the sole responsibility of the Insured.
 - (h) **Availability of Books and Records.** Except as otherwise prohibited by law, the Company hereby agrees to make its internal practices, books and records relating to the use and disclosure of Protected Health Information in connection with its obligations under this Agreement available to the Secretary of Health and Human Services for purposes of determining the Insured's compliance with the Administrative Simplification Provisions.
 - (i) **Use of Limited Data Set.** In the event that the Company receives or creates a limited data set (as described in 45 C.F.R. § 164.514(e)), then the Company shall only use and disclose such limited data set for research purposes, public health purposes or as otherwise Required by Law. In addition, the Company shall comply with Section 3(b), Section 3(c), and Section 3(d)(i) of this Agreement in the same manner as though such Sections referenced a limited data set, instead of Protected Health Information. Finally, except as otherwise permitted pursuant to this Agreement, the Company shall not re-identify the limited data set such that the limited data set becomes Protected Health Information and shall not contact any Individual who is the subject of the limited data set.
4. **Personal Information.** To the extent that the Company has access to Personal Information, the Company agrees that it has implemented and maintains appropriate security measures for the protection of Personal Information in accordance with applicable state laws.
5. **Obligations of the Insured.** The Insured shall have obtained all necessary consents and/or authorizations required under state law to enable the Insured to lawfully disclose the Protected Health Information to the Company and to enable the Company to use and disclose the Protected Health Information in accordance with the terms of this Agreement. In addition, to the extent the Protected Health Information contains any psychotherapy notes (as defined under HIPAA), the Insured agrees to obtain all necessary authorizations to enable the Insured to lawfully disclose the Protected Health Information to the Company and to enable the Company to use and disclose the Protected Health Information in accordance with the terms of this Agreement.
6. **Term and Termination.** This Agreement shall remain in full force and effect until one of the following occurs (each, a "Termination Event"): (a) the Company denies either the Insured's application for insurance coverage or the Insured's application for renewal of insurance coverage; (b) the Company or the Insured terminates the Insured's insurance coverage; (c) the Insured's insurance coverage with the Company expires; or (d) the Insured determines that the Company has breached a material term of this Agreement.

7. **Return or Destruction of Protected Health Information.** After the occurrence of a Termination Event, the Company shall either return or destroy all Protected Health Information, if any, which the Company still maintains. The Company shall not retain any copies of such Protected Health Information. Notwithstanding the foregoing, to the extent that the Company determines it is not feasible to return or destroy such Protected Health Information, the terms and provisions of Section 3 shall survive termination of this Agreement and such Protected Health Information shall be used or disclosed solely for such purpose or purposes which prevented the return or destruction of such Protected Health Information.
